

## THE KATE 3 bedrooms, 2 baths | 2,160 sq. ft.

This charming home showcases an open floor plan that flows from the inviting front porch into a large dining room, spacious kitchen with granite countertops and stainless steel appliances, and enormous great room, perfect for entertaining. A hallway housing a laundry room and full bath serves as a buffer between the common space and the master suite and second bedroom. The Master bedroom has a separate bath with a huge walk-in closet, double vanities, separate shower and a garden tub. Upstairs offers a choice of a third bedroom or a bonus room complete with full bath. It also features fiber-cement siding, hardwood floors throughout, a two-car garage and relaxing covered back porch.
